[Verse]

G
I m a phoenix in the water
Bm
a fish that s learnt to fly
G
and I ve always been a daughter
Bm
but feathers are meant for the sky
G
so I m wishing wishing further
Bm
for the excitement to arrive
G
it s just I d rather be causing the chaos
Bm
than living at the sharp end of this knife

[Pre-Chorus]

G **D**
With every small disaster
A **Bm**
I ll let the waters still
G **D** **A**
Take me away to some place real

[Chorus]

G
Cause they say home is where your heart is
A **Bm** **D**
set in stone its where you go when you re alone
A
it s where you go to rest your bones
G **A**
it s not just where you lay your head
Bm
it s not just where you make your bed
D **A**
As long as we re together does it matter
where we go

G

comfort will rest on my shoulder

Bm

and I ll bury my future behind

you ll be always on my mind

G

but there s a shining in the shadows

Bm

I ll never know unless I try

[Pre-Chorus]

With every small disaster

I ll let the waters still
