

**Keep Pushing Me**  
**Gabrielle Aplin**

Intro: **C#m A E A**

**A**  
Every time I see your face  
**E**  
I m lost for words I don t know what to say  
**A**  
You re smiling at me like a (wolf?)  
**E**  
I close my eyes as my skin crawls away

**C#m**  
You go keep on making lists  
**A E**  
I ll be happy making my mistakes  
**C#m**  
You ll be ticking off your boxes  
**A**  
I will be busy planning my escape

**C#m A E**  
I won t stay but I can t leave  
**C#m A E**  
Some twisted sense of loyalty  
**C#m A E**  
And you make me love the things I hate  
**C#m A E**  
Keep pushing me pushing me keep pushing me away  
**C#m A E**  
Please keep pushing me pushing me keep pushing me away

**A**  
You re stripping wings off butterflies  
**E**  
just to hide the pain you feel inside  
**A**  
keep telling yourself you re in charge  
**E**  
telling yourself it will be alright

**C#m**  
When you stay happy in the dark  
**A E**  
I ll be drifting out towards light  
**C#m**  
When you start to speak your mind  
**A**

I will just turn around and roll my eyes

**C#m**                    **A**                    **E**  
I won t stay but I can t leave

**C#m**                    **A**                    **E**  
Some twisted sense of loyalty

**C#m**                    **A**                    **E**  
And you make me love the things I hate

**C#m**                    **A**                    **E**  
Keep pushing me   pushing me   keep pushing me away

**C#m**                    **A**                    **E**  
Please keep pushing me   pushing me   keep pushing me away

**F#m**   **A**  
(woooah   uh ohhh)

**C#m**  
Stop breathing down my neck

**B**                    **F#m**                    **A**  
Do you understand me yet?

**C#m**  
Sometimes in life you have to lose  
         **B**                    **F#m**                    **A**  
I m living life for me not for you (ohhhh)

**C#m**                    **A**                    **E**  
I won t stay but I can t leave

**C#m**                    **A**                    **E**  
Some twisted sense of loyalty

**C#m**                    **A**                    **E**  
And you make me love the things I hate

**C#m**                    **A**                    **E**  
Keep pushing me   pushing me   keep pushing me away   (2x)

**C#m**                    **A**                    **E**  
Please keep pushing me   pushing me   keep pushing me away
