

Letting You Go
Gabrielle Aplin

intro: Bm A D G

Bm A D G
Sometimes I wake up thinking about you
Bm A D G
Sometimes I just don't wake up at all
Bm A
I wish you were the one
D G
That I can't live without
Bm A D G
But I'm cold, I'm cold
Bm A D G
I know that you won't break me to pieces
Bm A D G
But sometimes that is just what I need
Bm A
Cause I won't know I'm wrong
D G Bm A D G
Til I'm shown what I've done, but that's me

I really should be leaving now

G Bm
But I can't believe I'm letting you go
D
Maybe there's no reason at all
A
For everything you never did wrong

I can't believe I'm letting you go

Was it everything that you never said?

I swear I had it right in my head
