Letting You Go Gabrielle Aplin

intro: Bm A D G

Bm A D G

Sometimes I wake up thinking about you

Α

Sometimes I just don t wake up at all

Bm A

I wish you were the one

D (

That I can t live without

Bm A D G

But I m cold, I m cold

Bm A D G

I know that you won t break me to pieces

Bm A D C

But sometimes that is just what I need

Bm A

Cause I won t know I m wrong

D G Bm A D G

Til I m shown what I ve done, but that s me

G A Bm

The only thing I control is the ache in my soul

I ve got nothing to say

Α

It s already too late

I ve got this feeling

Em Bm

I really should be leaving now

G Bm

But I can t believe I m letting you go

D

Maybe there s no reason at all

Α

For everything you never did wrong

G

I can t believe I m letting you go

 $\mathbf{Bm}$ 

Was it everything that you never said ?

D

I swear I had it right in my head

Α

I can t believe I m letting you go
G
I can t believe I m letting you go
G Bm D A (x2)

Bm

The harder you hold

The higher you go

G

The further you fall

Breaking your bones

It s time to let go

D

The harder you try to follow the light

Α

The brighter it shines

Burning your eyes

It s time to let go (x3)

(single strum)

G Bm

But I can t believe I m letting you go

D

Maybe there s no reason at all

Α

For everything you never did wrong

G

I can t believe I m letting you go Suggest correction
