Am G F C
Summer comes and Winter fades,

Here we are just the same,

We dont need pressure, we donâ€™t need change,
Am G F C
Lets not give the game away.
Am G F C
I used to be an empty space,
Am G F C
A photograph without a face,
Am G F C
But with your presence with your grace,
Am G F F
Everything falls into place.

[Chorus]

F C
Please don t say you love me,
G Am
cause I might not say it back,
F C G Am
Doesnt mean my heart stopped skipping when you look at me like that.
F C G Am
Theres no need to worry when you see just where were at.
F C
Just please don t say you love me
G Am
cause I might not say it back.

[Verse 2]

Heavy words are hard to take,
