

Reverse

Gabrielle Aplin

Chorus:

**C** **D** **Em**  
And the colours of these roads are matching the rainy sky.

**C** **D** **Em** **D**  
We re too blind to see what s really here in front of our eyes.

**C** **D** **Em**  
And I hope someday this will all reverse,

**C** **D** **Em**  
And send us back to the times before.

**C** **D**  
Before we grew up and lost the novelty of,

**G** **Em**  
Clear blue skies and climbing trees.

**C** **D** **Em**  
Can t you see what our lives have come to be?

**C** **D** **G**  
Can t you see what our lives have come to be?
