**Gabrielle**

Artist: Gabrielle  
Song: Give Me A Little More Time  
Album: GHV1  
Tuning: Standard

Great old soul/mowtown sounding track. I love this song to bits.  
I m not too sure how accurate this is so please correct if need be

Note: The Song on the album is slightly detuned by about 1/8 so you may need to  
tune down 1/8-1/4 step to  
into key with the album
