Nothing Hurts Like Goodbye
Gabrielle

Hey guys this is my first song i am putting here so if there are any mistakes i am
sorry.. enjoy :-)

Intro: **B** **F#** **E**

Verse:
B   **F#**
Have you ever been hurt so bad
        E
That you thought that you would die
B   **F#**
Have your had to hold back tears
          E
When you just wanted to cry
B   **F#**
Have you ever had to hear the truth
    E
And try to keep a smile
B   **F#**
Have you ever had so much to say
        E
That you just ran out of time

Chorus:
B   **F#**   **E**
Nothing hurts more than when you re saying goodbye
B   **F#**   **E**
You re left feeling lonely with pain you feel inside
B   **F#**   **E**
The heart keeps aching and you feel a little fragile
C#m   **G#m**   **B**   **F# E**
Cause nothing hurts, nothing hurts, like goodbye

Verse:
B   **F#**
Ever wish you can turn back time
    E
and live your life again
B   **F#**
Have you ever wanted one more chance
    E
To right all your regrets
B   **F#**
Wish the rain could wash away tears
    E
And wash away the hurt

```
B                               F#
Cause pushing thoughts to the back of your head
   E
It doesn t seem to work

Chorus:
B       F#               E
Nothing hurts more than when you re saying goodbye
B         F#                    E
You re left feeling lonely with pain you feel inside
B         F#                  E
The heart keeps aching and you feel a little fragile
C#m                  G#m                    B      F# E
Cause nothing hurts, nothing hurts, like goodbye
B        F#    E
Like goodbye
```
