Caught up in my thinking  
Like a prisoner in my mind  
You pose so many questions  
But the truth is hard to find

Look at my life  
Look at my heart  
I have seen them fall apart  
Now I m ready to rise again  
Look at my hopes  
Look at my dreams  
I m building bridges from their seams  
Now I m ready to rise again

[Verse 3]

Much time has passed between us  
Do you still think of me at all?  
My world of broken promises  
But you won t catch me if I fall
