[CAPO 6]

[CHORUS]

**A** Put your lighters in the air  
**E**  
**F#m**  
if you've ever felt scared,  
cause you've lost the one,  
**D**  
who was the one,

**A** Put your lighters in the sky  
**E**  
**F#m**  
if you've sleeping alone tonight,  
**D**  
cause you've lost the one,

[VERSE 1]

**A**  
You are my best friend and boyfriend all at the same time,  
**E**  
it's funny to think I've known you my whole life,  
**F#m**  
I can't even remember a time when we weren't together,  
**D**  
Thinking back to the time where you promised it would last forever,  
**A**  
We only just learnt what love was,

**E**  
but I tried to impress you with my lips and mouth,  
**F#m**  
now I m sitting here wondering where is the love,  
**D**  
only thing I have is a voice and a lighter, so...

[CHORUS]

**A** **E**  
Put your lighters in the air  
**F#m**  
if you ve ever felt scared,  
  
cause you ve lost the one,  
**D**  
who was the one,

**A** **E**  
Put your lighters in the sky  
**F#m**  
if you ve sleeping alone tonight,  
  
cause you ve lost the one,  
**D**  
who was the one,

**A** **E**  
who was the one,  
**F#m** **D**  
who was the one,

[VERSE 2]

**A**  
You was so young you couldn t even say it,  
**E**  
and these were at the park at the swings where we were just playing,  
**F#m**  
but I remember everything that you wrote,  
**D**  
we go write it on a post it note,  
**A**  
I wrote yes then I gave it back,  
**E**  
he said I could keep it and I still got that,  
**F#m**  
now I m sitting here wondering where did the love go,  
**D**  
only thing I have is a voice and a lighter, so...

[CHORUS]

**A** Put your lighters in the air **E**

if you ve ever felt scared, **F#m**

cause you ve lost the one,

**D** who was the one,

**A** Put your lighters in the sky **E**

if you ve sleeping alone tonight, **F#m**

cause you ve lost the one,

**D** who was the one,

**A** The one, the one, **E**

**F#m** The one, the one, **D**
