

Heartbreak Ridge
Gaither Vocal Band

Verse 1

F#
It was a wide spot out in the country
B **F#**
Away from the lights of the city
F#
Where an old time preacher pitched a raged old tent
E **B** **C#**
Looked like it was a hundred years old
F#
He started out preaching to noone
B **F#**
Pretty soon the crowd started gathering
F# **C#** **F#**
C# F#
And he preached the gospel at the corner of heartbreak ridge and newhope road
F#
I turned into a wild man
B **F#**
Some people said I'd gone crazy
F#
But all too soon came the harvest
E **B** **C#**
Of the wild seeds that I had sown
F#
I stumbled into the meeting
B **F#**
I was looking like death warmed over
F# **C#** **F#** **C#**
F#
Then I heard the gospel at the corner of heartbreak ridge and newhope road

((Chorus))

B **E** **B**
When they sang come ye sinners, lost and hopeless
F# **E Eb** **C#**
Lord, I was hopeless heaven knows
F#
It was something got ahold of me
B
Something got ahold halleluiah
F# **C#** **F#** **C#**
F#
When I heard the gospel at the corner of heartbreak ridge and newhope road
