

Mama Look At Me Now  
Galantis

[Verse 1]

**G**                **Am**                **Em**  
When I was younger no one ever  
   **D**    **G**    **C**  
Could tell me how to live my life  
**G**                **Am**                **Em**  
I started trouble, that's what young  
   **D**                **G**    **C**  
Kids do and I was young alright  
**G**                                **Am**                                **Em**  
And my teacher said I'd be a failure  
**D**                                **G**                                **C**  
They called my mama just to tell her  
             **G**                **Am**                **Em**
