

**Mama Look At Me Now**  
**Galantis**

[Verse 1]

**G**            **Am**            **Em**  
When I was younger no one ever  
   **D**    **G**    **C**  
Could tell me how to live my life  
**G**            **Am**            **Em**  
I started trouble, that's what young  
   **D**    **G**    **C**  
kids do and I was young alright  
**G**                            **Am**                            **Em**  
And my teacher said I'd be a failure  
**D**                            **G**                            **C**  
They called my mama just to tell her  
                          **G**                            **Am**                            **Em**
