Thirteen times you, with my karma
And thirteen times I fucked up your dogma
You taught me to hate
You taught me to crawl

You raised your hand as you raised the bottle

You knock me down but it made me stronger
The harder you hit
The harder you fall

Pre Chorus:

And this one is for my mother
What will I do without her
[D5]Don t look back [C5]
Don t even bother

And this one is for the father
Who loves his little daughter
[D5]Thought I am [C5]
Don t even bother

A free reign gave you ammunition
 To play the game and, other women
 And something just snapped
 And cracked in my brain

A thirteen times I fucked up inside me
 The different ways that you tried to harm me
 You did it once
 You ll do it again
