

**Blackout**  
**Garbage**

Intro 4x: **C#m E A**

Verso:

**C#m E A**  
Keeping my thoughts under wraps tonight  
**C#m E A**  
Keeping my feelings to myself  
**C#m E A**  
I m already broken hearted  
**C#m E A**  
So let s get this party started

**C#m E A**  
The darkness comes with you  
**C#m B A**  
With longing and desire  
**C#m E A**  
Your anger burns inside your eyes  
**C#m B A**  
They flash like burning coal

( **D#m B** ) (2x)

Refrão:

**D#m B Bb**  
Get out your head, get out your head  
**D#m B Bb**  
Try not to think, be cool, be calm, be fake  
**D#m B Bb**  
Dumb yourself down, numb yourself out  
**D#m B Bb B**  
Fake it till you make it, breakneck the world, Blackout

( **C#m E A** ) (2x)

Verso:

**C#m E A**  
All the hurt you nurse inside  
**C#m E A**  
You better cough it up  
**C#m E A**  
Beautiful like shards of glass  
**C#m B A**  
In your throat that cut you up

Refrão:

**D#m B Bb**

Get out your head, get out your head

**D#m**                    **B**                    **Bb**

Try not to think, be cool, be calm, be fake

**D#m**                    **B**                    **Bb**

Dumb yourself down, numb yourself out

**D#m**                    **B**                    **Bb**                    **B**

Fake it till you make it, breakneck the world, Blackout

( **C**            **D#** ) (2x)

Ponte:

**C**                                    **D#**                    **C**            **D#**

That was such a wicked thing to say

**C**                                    **D#**                    **Bb**    **B**

That was such a spiteful thing to do

**C**                                    **D#**                                    **C**            **D#**

You smiled as the words spew right out your mouth

**C**                                    **D#**                                    **Bb**    **B**

So I laugh in your face right back at you

( **C#m**    **E**    **A** )    (2x)

Verso:

There s no reward for men who weep

No medals given out

**C#m**                    **E**                    **A**

But better be the one who speaks

**C#m**                    **B**                    **A**

Than be the man who won t

(You, and you, and you, and you)

( **D#m**    **B** ) (2x)

Refrão:

**D#m**                    **B**                    **Bb**

Get out your head, get out your head

**D#m**                    **B**                    **Bb**

Try not to think, be cool, be calm, be fake

**D#m**                    **B**                    **Bb**

Dumb yourself down, numb yourself out

**D#m**                    **B**                    **Bb**                    **B**

Fake it till you make it, breakneck the world, Blackout

Final:

**C#m** **E**            **A**

.....We all blackout

**C#m** **E**            **A**

.....We all blackout

**C#m** **E**            **A**

.....We all blackout

**C#m** **B**            **A**

.....We all blackout
