G Bm (main riff)

G Bm

G Bm
I don t need an education

G Bm
I learnt all I need from you

G Bm
They ve got me on some medication

G Bm
My point of balance was askew

C Am
It keeps my temperature from rising

C F
My blood is pumping through my veins

Chorus:

A B7
Somebody get me out of here

D7 B7
I m tearing at myself

A B7 D7 Dsus2 G
Nobody gives a damn about me or anybody else

I wear myself out in the morning
You re asleep when I get home
Please don t call me self defending
You know it cuts me to the bone
And it s really not surprising
I hold a force I can t contain

(Chorus)

G D
And still you call me co-dependent

Em C
Somehow you lay the blame on me

G D

And still you call me co-dependent
Em C C
Somehow you lay the blame on me

A B7
Somebody get me out of here
D7 B7
I m tearing at myself

A B7
I ve got to make a point these days
D7 B7
To extricate myself

(Chorus)

G Bm
And still you call me co-dependent

G Bm
Somehow you lay the blame on me

G Bm
And still you call me co-dependent

G Bm
Somehow you lay the blame on me (3x)
