

## Supervixen Garbage

It s just the chords, and a trial to a tab of the intro, I m not good at this stuff, but it should give you an idea of what the song is about.

Intro (something similar, played under A-like-chord)

```
e--0----- -0-----0-----0-0-0-repeat two times
b--2~-0---3-2- -1-0---3-2---2~-0---3-2--2-2-2-
g--2---2----- -2---2-----2---2-----2-2-2-
d--2----- -2-----2-----2-2-2-
a--0----- -0-----0-----0-0-0-
E--0----- -0-----0-----0-0-0-
```

^

Silence

```
A      C      D      G      A      C D G
Come down to my house, stick a stone in your mouth
A      C      D      G      A      C D G
You can always pull out if you like it to much
```

Chorus:

```
B      A      G      A
Make a whole new religion
B      A      G      A
A fallen star that you cannot live without
B      A      G      A
And I ll feed your obsessions
B      A      G      A
There ll but nothing but this thing that you ll never doubt
```

```
A      C      D      G      A      C D G
It is hard to resist and I ll never amiss (?)
A      C      D      G      A      C D G
I can take you out with just a flick of my wrist
```

Chorus:

```
B      A      G      A
Make a whole new religion
B      A      G      A
A fallen star that you cannot live without
B      A      G      A
And I ll feed your obsessions
B      A      G
There ll but nothing but this thing that you ll never doubt
A
This thing you ll never doubt
```

Intro 2X

Bridge

Chords are B A G A

B            A            G            A

And I ll feed your obsessions

B            A            G            A

The fallen star that you cannot live without

B            A            G            A

I will be your religion

B            A            G

This thing you ll never doubt, you re not the only one

A

You re not the only one

Intro 4X

With lyrics:

Bow down to me
