 Together we can take the world apart My love

People like us,
Know how to survive,
There s no point in living If you can t feel alive.

We know when to kiss
And we know when to kill
If we can t have it all then nobody will.

The world is not enough
But it is such a perfect place to start my love
And if you re strong enough
Together we can take the world apart my love

I feel safe,
I feel scared,
I feel ready,
And yet unprepared
