```
Abm       F#          E     F#
ive been letting you down dear
Abm     F#          E       F#
girl I know ive been such a fool
Abm    F#        E     B
giving in to temptations
   Abm                F#
i shouldve played it cool
```

```
Bbm      Ab        F#     Ab
the situation got out of hand
   F#              Ab
i hope you understand

```
                   C#
it could happen to anyone of us anyone you think of
Bbm                              F#
anyone can fall anyone can hurt someone
         Ab
they love hearts will break cause
C#                  Ab
i made a stupid mistake
                   C#
it could happen to anyone of us say you will forgive me
Bbm
anyone can fail say you will believe me
F#               Ab
i cant sleep my heart will break cause
C#                 Ab
i made a stupid mistake
           C#
a stupid mistake
```

```
Abm      F#         E F#
she was kind of exciting
Abm      F#      E        F#
a little crazy I shouldve known
Abm         F#        E     B
she mustve altered my senses
      Abm                 F#
cause i offered to walk her home
```

```
Bbm      Ab         F#      Ab
