

Timing Is Everything

Garrett Hedlund

C

When the stars line up

Am

and you catch a good break

C

and people think your lucky

Am

but you know it s grace

F

it can happen so fast

G

or a little bit late

C

timing is everything

C

you know I ve had close calls

Am

when it could have been me

C

i was young when i learned just

Am

how fragile life could be

F

i lost friends of mine

G

i guess it wasn t my time

C

timing is everythnig

F

and i could have been a child that got took home

C

F

and i would have been one more unfinished song

C

Am

G

and when it seems a rhyme is hard to find

F

that s when one comes along

D7

just in time

C

well I remember that day

Am

when our eyes first meet

C

you ran into the building to get out of the rain

Am
cause you were soaking we

F
and as i held the door

G
you wanted to know my name

C
timing is everything

F **C**
and i could have been another minute late

F **C**
and you never would have crossed my path that day

Am **F**
and when it seems true love is hard to find

F
that s when love comes along

D7
just in time

C
well you can call it fate

Am
or destiny

C
sometimes it really seems like

Am
it s a mystery

F
cause you can be hurt by love

G
or healed by the same

C
timing is everything

F
and it can happen so fast

G
or a little bit late

C
timing is everything
