D **G**
If all the days that come to pass
D **A**
Are behind these walls
Bm **G**
I ll be left at the end of things
D **A**
In a world kept small

D **G**
Travel far from what i know
D **A**
I ll be swept away
Bm
I need to know
G **D**
I can be lost
A
and not afraid

Bm **G**
We re gonna trip the light
D **A**
We re gonna break the night
Bm **G**
And we ll see with new eyes
D **A**
When we trip the light

D **G**
Remember we re lost together
D **A**
Remember we re the same
Bm **G**
We hold the burning rhytm in our hearts
D **A**
We hold the flame

Bm **G**

We re gonna trip the light
D A

We re gonna break the night
Bm G

And we ll see with new eyes

When we trip the light

Of a distant fire

 Come on and trip the light
