**Eb** **G#**  
If all the days that come to pass  
**Eb** **Bb**  
Are behind these walls  
**Cm** **G#**  
I ll be left at the end of things  
**Eb** **Bb**  
In a world kept small

**Eb** **G#**  
Travel far from what i know  
**Eb** **Bb**  
I ll be swept away  
**Cm**  
I need to know  
**G#** **Eb**  
I can be lost  
**Bb**  
and not afraid

**Cm** **G#**  
We re gonna trip the light  
**Eb** **Bb**  
We re gonna break the night  
**Cm** **G#**  
And we ll see with new eyes  
**Eb** **Bb**  
When we trip the light

**Eb** **G#**  
Remember we re lost together  
**Eb** **Bb**  
Remember we re the same  
**Cm** **G#**  
We hold the burning rhytm in our hearts  
**Eb** **Bb**  
We hold the flame

**Cm** **G#**

We re gonna trip the light  
Eb Bb  
We re gonna break the night

I ll find my way home  
Eb Bb  
On the Western wind  
Cm G#  
To a place that was once my world  
Eb Bb  
Back from where I ve been

Eb G#  
And in the morning light I ll remember  
Eb Bb  
As the sun will rise  
Cm G#  
We are all the glowing embers  
Eb Bb  
Of a distant fire

Cm G#  
We re gonna trip the light  
Eb Bb  
We re gonna break the night  
Cm G#  
And we ll see with new eyes  
Eb Bb  
When we trip the light

Cm G#  
Come on and trip the light  
Eb Bb  
We re gonna break the night

**Cm** **G#**  
And we ll see with new eyes  
**Eb** **Bb**  
We re gonna trip the light

**Cm G# Eb Bb**

And we ll see with new eyes  
**Eb** **Bb**  
When we trip the light

**Cm** **G#**  
We re gonna trip the light  
**Eb** **Bb**  
We re gonna break the night  
**Cm** **G#**  
And we ll see with new eyes

When we trip the light
