[tab]D                      D/F#
Oh, the snowflakes fell in silence[/tab]
[tab]    Bm      A      D
Over Belleau Wood that night[/tab]
[tab]    G                      D
For a Christmas truce had been declared[/tab]
[tab]    A
By both side of the fight[/tab]
[tab]    D                      D/F#
As we lay there in our trenches[/tab]
[tab]    G
The silence broke in two[/tab]
[tab]                      D
By a German soldier singing[/tab]
[tab]    A                      D      A
A song that we all knew[/tab]
```

```
[tab]    D                      D/F#
Though I did not know the language[/tab]
[tab]    Bm      A      D
The song was "Silent Night"[/tab]
[tab]    G                      D
Then I heard my buddy whisper, [/tab]
```

[tab]                   **A**  
"All is calm and all is bright"[/tab]  
[tab]                   **D**                   **D/F#**  
Then the fear and doubt surrounded me[/tab]  
[tab]                   **G**  
Cause I d die if I was wrong[/tab]  
[tab]                   **D**  
But I stood up in my trench[/tab]  
[tab]                   **A**                   **D**  
And I began to sing along[/tab]

[tab]                   **A**  
Then across the frozen battlefield[/tab]  
[tab]                   **G**                   **D**  
Another s voice joined in[/tab]  
[tab]                   **G**                   **D/F#**  
Until one by one each man became[/tab]  
[tab]                   **Em**                   **A**  
A singer of the hymn[/tab]

[tab]                   **D**                   **D/F#**  
Then I thought that I was dreaming[/tab]  
[tab]                   **Bm**                   **A**                   **D**  
For right there in my sight[/tab]  
[tab]**G**                   **D**  
Stood the German soldier[/tab]  
[tab]                   **A**  
Neath the falling flakes of white[/tab]  
[tab]                   **D**                   **D/F#**  
And he raised his hand and smiled at me[/tab]  
[tab] **G**  
As if he seemed to say[/tab]  
[tab]                   **D**  
Here s hoping we both live[/tab]  
[tab]                   **A**                   **D**  
To see us find a better way[/tab]

[tab]                   **A**  
Then the devil s clock struck midnight[/tab]  
[tab]                   **G**                   **D**  
And the skies lit up again[/tab]  
[tab]                   **G**                   **D/F#**  
And the battlefield where heaven stood[/tab]  
[tab]                   **Em**                   **A**  
Was blown to hell again[/tab]

[tab]                   **D**                   **D/F#**  
But for just one fleeting moment[/tab]  
[tab]                   **G**

The answer seemed so clear[/tab]

[tab] **D**

Heaven s not beyond the clouds[/tab]

[tab] **A** **Bm** **A**

It s just beyond the fear[/tab]

[tab] **G** **D**

No, heaven s not beyond the clouds[/tab]

[tab] **A** **D**

It s for us to find it here[/tab]
