Cold Shoulder

Garth Brooks

Bbm **F#** **C#** **B** **C#**

There s a fire burning bright at our house tonight

Bbm **G#**

Slow music playing and soft candle light

F# **Bbm**

On her lips I keep tasting the warm red wine

C# **G#7sus** **G#7** **C#**

I m there in her arms but it s all in her mind

chorus....

G# **F#** **C#** **B** **C#**

The snow is piled high on the highway tonight

Bbm **G#**

I m a ship lost at sea on this ocean of white

F# **Bbm**

Eighteen wheels anchored somewhere out of Dover

C# **G#sus** **G#** **C#** **Bbm**

I wish I could hold her instead of hugging this old cold shoulder

C# **F#** **C#** **B** **C#** **Bbm**

this old highway is like a woman sometimes
She can be your best friend but she s the real jealous kind
She s the lady that leads me to the life I dream of
She s the mistress that keep s me from the ones that I love

chorus....

F# **C#** **G#7sus** **Bbm** **F#** **C#**

God I wish I could hold her instead of huggin this old cold shoulder
