Cold Shoulder

Garth Brooks

**C#m** **A** **E** **D** **E**

There s a fire burning bright at our house tonight

**C#m** **B**

Slow music playing and soft candle light

**A** **C#m**

On her lips I keep tasting the warm red wine

**E** **B7sus** **B7** **E**

I m there in her arms but it s all in her mind

chorus....

**B** **A** **E** **D** **E**

The snow is piled high on the highway tonight

**C#m** **B**

I m a ship lost at sea on this ocean of white

**A** **C#m**

Eighteen wheels anchored somewhere out of Dover

**E** **Bsus** **B** **E** **C#m**

I wish I could hold her instead of hugging this old cold shoulder

**E** **A** **E** **D** **E** **C#m**

this old highway is like a woman sometimes  
She can be your best friend but she s the real jealous kind  
She s the lady that leads me to the life I dream of  
She s the mistress that keep s me from the ones that I love

chorus....

**A** **E** **B7sus** **C#m** **A** **E**

God I wish I could hold her instead of huggin this old cold shoulder
