Every Now And Then - Garth Brooks (Mondlock/Brooks)

-----  
The notes between ( ) are actually played, but it s easier and sounds more  
identifiable if you leave them out. Maybe it s even a second guitar...

```
|-----2-----2-----|-----3-----3-----|
|------(3)3-----3------(0)-|------(3)---3-----3---|
|-----0h2-----0-----|-----0h2---(2)--0-----|
|-0-----4-2-0-----|-0-----4-2-----|
|-----|-----0-----|
|-----|-----3-----3-----|
```

On the verses you could try to find any picking that sounds right.  
Maybe I ll try to figure out the verses sometime too, but this will do for  
now, I d say.

The chords are for  
the verses:

**D D/F# G G/A D D/F# G G/A**  
**Bm D/A G D/F# Em D/F# G Asus4**

in between verses and chorus:

**D D A/C#**

the chorus:

**Bm F#m7/C# Emadd9 D G A**  
**Bm F#m7/C# Emadd9 D Dsus2 Asus4 A**

Every Now And Then  
-----

I walked down to the park last night  
Warm breeze stirring up a soft moonlight  
And my mind started drifting way back when  
Yes I do think about you every now and then

The other day I saw a car like you used to drive  
I got a funny feeling down deep inside

And for the briefest moment I felt a smile begin  
Yes I do think about you every now and then

Chorus:

I love my life and I d never trade  
Between what you and me had and the life I ve made  
She s here and she s real, but you were too  
And every once in a while I think about you

I heard a song on the radio just yesterday  
The same one you always asked me to play  
And when the song was over  
I wished they d played it again  
Yes I do think about you every now and then

Repeat Chorus

I ve been layin here all night listenin to the rain  
Talkin to my heart and trying to explain  
Why sometimes I catch myself  
Wondering what might have been  
Yes I do think about you every now and then

Every now and then  
Every now and then
