The following is one of my favorites by Garth. It s not always easy changing keys from D to Eb, so you may want to play it like me and go from D to E. Have Fun!

INRO D// C// G// G// D// C// G// A Bm A/C#

VERSE 1

```
[tab]D           A7           D           G           C           G
Stuck in an airport in Austin, all of the flights are delayed[/tab]
[tab]           G           D           E
And as the rain keeps fallin the mem ries keep calling me back[/tab]
[tab]           A // A Bm A/C#
To another time and place[/tab]
[tab]D           A7           D           G           C           G
Back to a rainy day in Oklahoma, she was working at this roadside cafe[/tab]
[tab]           G           D
And it was just her and me and looked like it would be[/tab]
[tab] A7           D// C// G// G
At least till the storms rolled away[/tab]
```

VERSE 2

```

[tab]                D              A7              D
I played "Please Come To Boston" on the jukebox[/tab]
[tab]                G              C              G
She said "Hey that s my favorite song."[/tab]
[tab]                G              D
The next thing I knew, the song was long through[/tab]
[tab]                E              A// A Bm A/C#
And we were still dancing along[/tab]
[tab]                D              A7              D
And with that look in her eye she pulled from me[/tab]
[tab]                G              C              G

```

Then she pulled off that apron she wore[/tab]
[tab] **G** **D**
And with her hand in mine we turned off the sign[/tab]
[tab] **A7** **D**
And locked the rain outside the door[/tab]

CHORUS

```
[tab]                D      A7/E  D/F#  G  D/F#      A7      D
Every time that it rains I can hear her heart calling[/tab]
[tab]  G  D/F#      A7      D
It rains I can see that dress falling[/tab]
[tab]      G      A      D      G D/F#  Em
The storm clouds roll on still the memory remains[/tab]
[tab]      G/A      D// C// G// A// D// C// G// Bb Cm Bb/D
Every time that it rains[/tab]
```
