Verso 1:

```
          D
From the hills of Kaycee, Wyoming
          G          D
Where life s wooly and wild
          D
Came a Navy brat in a cowboy hat
          E7          A
And that Copenhagen smile
          D
And from buckin broncs to honky tonks
          G          G/F#   Em
He always sang a cowboy song
          D          B7
We were much too young, havin too much fun
          G          A          D
As we all sang along
```

Refrão:

```
          G          D
We sang Life s a Highway
          G          D
There s only one way you re gonna get through it
          G          D          B7
When she starts to twist be more like Chris
          E7          A
Pull your hat down tight and just LeDoux it!
          D
When that whistle blows and the crowd explodes
          G          G/F#   E
And them pickup men are at your side
          D          A          D
They tell you good ride cowboy, good ride
```

Verso 2: (Change key to E):

```
          E
From gold buckles to gold records
```

A E  
Once again he was spinnin round  
E  
Took the whole world on  
F7 B  
And he turned us on to that Western Underground  
E  
And from Bareback Jack to This Cowboy s Hat  
A A/G# F#m  
His songs were stronger than his pain  
E C7  
He would not slow down from town to town  
A B E  
Like children running thru the rain

Refrão 2x
