[Verse] This old highway s getting longer C Seems there ain t no end in sight To sleep would be best Am But I just can t afford to rest C I gotta ride in Denver tomorrow night I called the house, but no one answered D For the last two weeks no one s been home I guess she s through with me Am To tell the truth, I just can t see What s kept a woman holding on this long [Chorus] And the white line s getting longer G And the saddle s getting cold Now I m much too young to feel this damn old All my cards are on the table with no ace left in the hole Now I m much too young to feel this damn old [Verse] The competition s getting younger Tougher broncs, you know I can t recall A worn out tape of Chris LeDoux
