

Much Too Young
Garth Brooks

x + arrow = play bass note of the chord.

[Verse]

F# **G#m**
This old highway s getting longer
C# **B** **F#** **C#**
Seems there ain t no end in sight
F#
To sleep would be best
G#m
But I just can t afford to rest
C# **B** **F#** **C#**
I gotta ride in Denver tomorrow night
F# **G#m**
I called the house, but no one answered
C# **B** **F#** **C#**
For the last two weeks no one s been home
F#
I guess she s through with me
G#m
To tell the truth, I just can t see
C# **B** **F#**
What s kept a woman holding on this long

[Chorus]

B
And the white line s getting longer
F# **Ebm**
And the saddle s getting cold
B **C#** **F#**
Now I m much too young to feel this damn old
B **F#** **Ebm**
All my cards are on the table with no ace left in the hole
B **C#** **F#**
Now I m much too young to feel this damn old

[Verse]

F# **G#m**
The competition s getting younger
C# **B** **F#** **C#**
Tougher broncs, you know I can t recall
F#
A worn out tape of Chris LeDoux
G#m
Lonely women and bad booze
C# **B** **F#**

Seem to be the only friends I've left at all.

[Chorus]

B
And the white line's getting longer

F# **Ebm**
And the saddle's getting cold

B **C#** **F#**
Now I'm much too young to feel this damn old

B **F#** **Ebm**
All my cards are on the table with no ace left in the hole

B **C#** **F#**
Now I'm much too young to feel this damn old
