Intro: **A**

**A**  
Like birds on a high line  
**E**  
They line up at night time at the bar  
  
They all once were lovebirds  
**A**  
Now bluebirds are all that they are  
  
They landed in hell  
**D** **C#m** **Bm**  
The minute they fell from love s sky  
**A**  
And now they hope in the wine  
**E** **A** **E**  
That they ll find a new way to fly

Chorus:  
**D** **A**  
A new way to fly  
**F#m**  
Far away from goodbye  
**D**  
Above the clouds and the rain

The memories and the pain  
**A** **E**

**A**

Now the lessons been learned

If they could just find

**A**

A new way to fly

**A**

By the end of the night

**E**

They ll be high as a kite once again

And they don t seem to mind all the time

**A**

Or the money they spend

It s a high price to pay

**D**

**C#m**

to just find a way to get by

**A**

But it s worth every dime

**E**

**A**

**E**

If they find a new way to fly
