

One Night A Day
Garth Brooks

Intro **G**

G

Theres not a lot of things to do

Em

I wouldnt rather do with you

C

G

D

I guess I m funny that way

G

Lately I just sit and stare

Em

I talk to people who aren t there

C

G

D

To get through one night a day.

CHORUS

G

Em

One night a day,

C

G

One step away,

Em

D

from leavin you behind.

G

I sit up with the radio

Em

sing along with the ones I know

C

G

D

to get through one night a day.

REPEAT CHORUS

G

I m callin every friend I v had

Em

wake em up and make em mad

C

G

D

To let em know that I m okay

G

I used to sit and talk to you

Em

there all just a substitute,

C

G

D

to get through one night a day.

REPEAT CHORUS

G

I stay up with the late late show

Em

just another way I know

C **G** **D**

to get through one night a day.

C **G**

To get through one night a day.

On the CD there is an instrumental between two of the verses,
I stuck the chorus in because it sounds better when playing with Guitar.
