

She's every woman
Garth Brooks

She s sun and rain, she s fire and ice
A little crazy, but it s nice.
And when she get s mad you best leave her alone.
Cause she ll rage just like a river
then she ll beg you to forgive her
Oh, she s every woman that I ve ever known.

Chorus:

It needs no explanation,
cause it all makes perfect sense.
For when it comes down to temptation,
she s on both sides of the fence.

Verse 2:

She s so New York, and then LA
and every topwn along the way.
And she s every place that I ve never been.
She s making love on rainy nights,
She s a stroll through Christmas lights
And she s everything I want to do again.

Verse 3:

She s anything but typical,
She s so unpredictable.
Oh, but even at her worst she aint that bad.
She s as real as real can be.
And she s every fantasy.

Lord, she s every lover taht I ve ever had.
And she s every lover that I ve never had.
