

To Make You Feel My Love
Garth Brooks

Ok, I'm not a pro or n e thing but here is how i play this song. It s actually based off of the Kelly Clarkson version which is basically the same but she just sings it an Octave Higher.

Verse 1:

D **F#m**
When the rain is blowing in your face
C **G**
And the whole world is on your case
Gadd9 **D** **Bm**
I would offer you a warm embrace
Em **A**
To make you feel my love
D **F#m**
When even shadows and the stars appear
C **G**
And there s no one to dry your tears
Gadd9 **D** **Bm**
I would hold you for a million Years
Em **A** **D**
To make you feel my love

Chorus 1:

Gadd9 **D**
I know you haven t made your mind up yet
F#m **A** **D**
But I would never do you wrong
Gadd9 **D**
I ve known it from the moment that we met.
Em **A**
There s no doubt in my mind where you belong.

Verse 2:

D **F#m**
I d go hungry I d go black and blue
C **G**
I d go crawling down the avenue
Gadd9 **D** **Bm**
There ain t nothing that I wouldn t do.
Em **A** **D**
To make you feel my love.

Chorus 2:

Gadd9 **D**
The storms of rage are rolling on the sea
