Last I heard she had moved to Boulder but where she s now I don t know.

But there s something bout this time of year that spins my head around.
G# Bbm F# G# C#
Takes me back, makes me wonder: What s she doing now?

[Chorus]

C# G#/C# F# G# Bbm G# Bbm
Cause what s she s doing now is tearin me apart.
Bbm G# F# G# C#
Fillin up my mind and emptying my heart.
C# G#/C# F# Fm Bbm
I can hear her call each time the cold wind blows,
G# F# G#
And I wonder if she knows--what she s doin now.

[Verse 2]

C# G# Bbm F# G#
Just for laughs I dialed her old number, but no one knew her name.
C# G# Bbm F# C#/F# Ebm G#
Hung up the phone, sat there and wondered if she d ever done the same.
F# Fm Bbm F# C#/F# Ebm G# F# C#
I took a walk in the evenin wind to clear my head somehow.
G# Bbm F# G# C#
But tonight I lie here thinkin what s she doin now?

[Chorus]

C# G#/C# F# G# Bbm G# Bbm
Cause what s she s doing now is tearin me apart.
Bbm G# F# G# C#
Fillin up my mind and emptying my heart.
C# G#/C# F# Fm Bbm
I can hear her call each time the cold wind blows,
G# F# G#
And I wonder if she knows-
C# G#/C# F# G# Bbm G# Bbm
That what s she s doing now is tearin me apart.
Bbm G# F# G# C#
Fillin up my mind and emptying my heart.

C# G#/C# F# Fm Bbm

I can hear her call each time the cold wind blows,

G# F# G#

And I wonder if she knows--what she s doin now.
