Last time I saw her it was turning colder but that was years ago.

Last I heard she had moved to Boulder but where she s now I don t know.
A G#m C#m A E/F# F#m B A E
But there s something bout this time of year that spins my head around.
B C#m A B E
Takes me back, makes me wonder: What s she doing now?

[Chorus]

E B/C# A B C#m B C#m
Cause what s she s doing now is tearin me apart.
C#m B A B E
Fillin up my mind and emptying my heart.
E B/C# A G#m C#m
I can hear her call each time the cold wind blows,
B A B
And I wonder if she knows--what she s doin now.

[Verse 2]

Just for laughs I dialed her old number, but no one knew her name.

Hung up the phone, sat there and wondered if she d ever done the same.

I took a walk in the evenin wind to clear my head somehow.

But tonight I lie here thinkin what s she doin now?

Cause what s she s doing now is tearin me apart.

I can hear her call each time the cold wind blows,

And I wonder if she knows-

That what s she s doing now is tearin me apart.

I can hear her call each time the cold wind blows,
