

Wild Horses
Garth Brooks

[Verse]

E
From a phonebooth in Cheyenne
G#m
I made a promise to Diane
A F#m7 B7
No more Rodeos I d gone my last go round
E G#m
The same promise that I made in San Antone and Sante Fe
A F#m7 B7
But tonight I saddled up and let her down

[Chorus]

A E C#m B7 E
Wild horses keep dragging me away
F#m7 A B7
And I ll lose more than I m gonna win someday
A G#m
Wild horses just stay wild
A Am
and her heart is all I break
E C#m B7 E
Wild horses keep dragging me away

[Verse]

She watched me drive around her block
Getting courage up to stop
To make her one more promise I can t keep
The way I love the rodeo I guess I should let her go
Before I hurt her more than she loves me
