You May Be Right - Garth Brooks (Billy Joel)

You can play the riff through the chord using your pink. So just play an A chord in the intro and between the verses and play with your pink the following :

```
[table----X----3----2-----0--|-(0)----3----2-----0--| etc.--..
A-----3-----|-----2-----..[/tab]
```

```
[tab]A
Friday night I crashed your party[/tab]
```

```
Saturday I said I m sorry
[tab]Asus2          A7sus2          E7
Sunday came and trashed me out again[/tab]
[tab]      Bm
I was only having fun[/tab]
[tab]      G
Wasn t hurting anyone[/tab]
      E                      A (with pink solo)
And we all enjoyed the weekend for a change
```

I ve been stranded in the combat zone
I walked through Bedford Stuy alone
Even rode my motor cycle in the rain
And you told me not to drive
But I made it home alive
So you said that only proves that I m insane

```
[tab]NC          E
You may be right[/tab]
[tab]NC          A
I may be crazy[/tab]
[tab]NC          E          D          F#m7          A
But it just may be a lunatic you re looking for[/tab]
[tab]NC          E
Turn out the light[/tab]
[tab]NC          A
```

Don t try to save me[/tab]

[tab] **D** **E** **A**(with pink again)

You may be wrong for all I know, but you may be right[/tab]

Well remember how I found you there

Alone in your electric chair

I told you dirty jokes until you smiled

You were lonely for a man

I said, "Take me as I am."

 Cause you might enjoy some madness for awhile

Now think of all the years you tried to

Find someone to satisfy you

I might be as crazy as you say

If I m crazy then it s true

That it s all because of you

And you wouldn t want me any other way

You may be right

I may be crazy

But it just may be a lunatic you re looking for

It s too late too fight

It s too late to change me

You may be wrong for all I know, but you may be right

Repeat till fade (while keep playing A with pink solo):

You may be wrong for all I know, but you may be right
