Why
Garth Taylor
G
Why is it when I'm sad
I always think about you?
Why is it when I'm lonely
               Bm
I just can't do without you?
                C
Why is it when I smile, I for-get
                     G
                          D G
That you were always there for me?
There s no price you would not pay
   D
for me with your love
G
Now every night I lie,
Awake because I miss you
And I just can't deny,
the way I love you so
                C
And if I had the chance to re-live,
                  G
The days I took for granted oh
I d never let you go, oh no
               C
Remember how we laughed inside
                 G
                        D/G
Now why is it so empty?
Remember how we made the deal
                  G D/C/G
That we would never part
What if I called you up? (SAME AS FRST VERSE)
What if I said I m sorry?
Is there a second chance?
And would it last forever and ever?
Cause I know I would die without
The air I breathe is you oh its you

Here s the reason why I swear, it s true
