

**Drop**

**Gary Allan**

CAPO 2

Drop - Gary Allan - Intro.: (**Am G F E**) X4

Verse Chords: **Am G F E**

Drop, raindrop fallin from the sky like magic can ya feel it in the air.  
Drop, you oughta drop on by cause it s warm inside and there s a storm out there.

I ll drop, another log under the fire, get the flame a little higher Till it feels just right.

And I ll drop, a blanket on the floor there s some wine I m gonna pour,  
And pull the shades down tight.

(Chorus)

**F G Am G F**  
Ain t nowhere you need to be, then wrapped up here with me.

**G Am G F**  
I ll turn the lights down, way down low, You let that dress drop nice and slow.

**G Am G F**  
Girl, I (you) know it s true, you know just what to do,

**E**  
To make me drop everything for you.

Drop, your hair down on your shoulders  
Get a little closer cause it s that kinda day.  
I ll drop, drop the needle on the record  
The one that makes ya wanna love the night away.

(Chorus)

(Instrumental) ?

(Chorus)

Come on drop, drop everything for you.  
You make me wanna drop, drop, drop, drop, drop.  
Yeah, drop everything for you.

Drop, drop, drop, drop, drop.
