

**Get Off On The Pain**  
**Gary Allan**

Intro: **G D Cadd9 G**

**G**

I don t know why I love women

**D**

That love to do me wrong

**Cadd9**

Don t know why my life sounds like

**G**

A heartbroke country song

**G**

I ain t really happy

**D**

Unless the sky starts driving rain

**Cadd9 F Cadd9 G**

Maybe I just get off on the pain

**G**

My whole life I been picking fights

**D**

There ain t no way to win

**Cadd9**

Got a hundred scars I should have run away

**G**

Now tattooed on my skin

**G**

There s a side of me that just won t stop

**D**

Dancin in the flame

**Cadd9 F Cadd9 G**

Maybe I just get off on the pain

**G**

**D**

Cause I love the long shot and the left out lost causes

**Cadd9 G**

Hanging out in the back of the pack with the dark horses

**G**

**D**

I ride the wrong road just as fast as I can

**Cadd9 D**

God knows there s no one else to blame

**F**

**Cadd9**

**G**

Sometimes I think I get off on the pain

**G D F Cadd9 G**

**G**  
Wake up every morning  
**D**  
A thousand miles from home  
**Cadd9**  
Praying for forgiveness  
**G**  
For this aching in my bones  
**G**  
It would be so easy  
**D**  
To find a better way  
**Cadd9 F Cadd9 D**  
Oh but I know I ll never change

**G D**  
Cause I love the long shots and the left out lost causes
