

It Aint The Whiskey
Gary Allan

[Intro]

Em C x2

[Verse]

Em **C**
I stood there in the middle of the church of the broken people
Em **C**
Listening to the walking wounded tell their stories
Em **C**
My turn came I told them my name I said this aint my first time
G **D**
And then a man started talking how the devil and the bottle was ruining my life
C
With last night on my breath I stood up and said

[Chorus]

G **D**
It ain t the whiskey, it aint the cigarettes
Em **C**
It ain t the stuff I smoke, its all these things I can t forget
G **D**
And it ain t the hard time, it ain t the all nights
Em **C**
Well it ain t that easy, it ain t the whiskey
Em **C**
Thats killing me

[Verse]

Em **C**
So what do you got for this empty spot inside me
Em **C**
A deep dark hole where love used to be
Em **C**
Before she ripped it out and ran into the arms of someone else
G **D**
Yall sit in this room and you talk like you got some kind of remedy
C
Well I hear what you re telling me but I got all the proof I need

[Chorus]

G **D**
It ain t the whiskey, it ain t the cigarettes
Em **C**
It ain t the stuff I smoke, its all these things I can t forget
G **D**
And it ain t the hard time, it ain t the all nights
Em **C**

Well it ain t that easy, cause it aint the whiskey

Em

Thats killing me
