Everything was darkness

Wasn t no light at all

Just the cold dank air and the pitch black dirt

Then he crawled out from beneath that ledge  
And felt a gentle breeze  
Tears and dirt smeared on his face  
As peaceful as could be  
Well he knelt down upon the ground  
Raised his eyes up to the light and prayed  
He said Lord I ll be your servant from this day  
That s how he became the Man In Black in Nickajack Cave
