Capo 1

E
That was a tough goodbye
A **B** **E**
And what tore me down was watchin her try not to cry
A **B** **E**
She asked me to stay and for a minute I thought I might
A **B** **E**
Yeah, that was a tough goodbye

That was a long night
Full of lookin back and wonderin what it might a been like
Must ve drove her memory across at least ten state lines
Yeah, that was a long, long night

Chorus:

A
And I m not quite ready yet to settle down or even let
E
Someone get a hold of me Cause I m not done being free
A
I still have a few roads to travel down and Lord knows
C#m **B** **A** **E**
I got way too close that time that was a tough goodbye

That was a hurtin kind
Not the so long after awhile, see ya soon, some other time
Where I just walk away and everybody s fine
No, that was a hurtin kind

Chorus

Bridge:

A
I know I won t find anyone better
A
I can t keep runnin forever

Chorus

That was a tough goodbye

That was a tough goodbye

And what tore me down was watchin her try not to cry
