This is actually a pretty layered song. One layer sounds like the following which he fades in at the beginning:

muted

```

|-----|
|-----|
|-----|
|-----8-----|
|-6-9-6-9-6-9-6-9--9-6-9-6-9-...-----|
|-----|

```

The main background arpeggio is this (which is repeated throughout):

```

|----2-----2-----2-----2-----|
|-4----2-----2--2h4--2-----2--2h4-...-----|
|-----3h4-----3h4-----|
|-----|
|-----|
|-----|

```

Then the lead breaks out after a few seconds:

```

|-----|
|-9h11~-----|
|-----|
|-----|
|-----|
|-----|

```

Coda

```

|-----|
|--11~--11-12-14-----11--12-11-----|
|o-----11--11-13-----1311-(11)-|
|o-----|
|-----|
|-----|

```

|-----|
|-11~-11-12-14-----11--12-11-----|
|-----11--11-13-----1311-(11)-10h118~-----o|
-----118-----o

|-----11-14-----|
|-----11-12-14--14--14-----14--14-14-12-11----11--11-12-14-----|
|o--11-13-----13-----11--o|
o-11-----o

|-----|
|---11-----|
|-13----13-11-108~-----|
-----118~-----

go to coda, solo, repeat.
