This is probably Gary s most well known cover. I watched him play it live at the Hard Rock in Phoenix last Jan. (remember me Gary? I was the guy who had you sign every one of your albums)

I believe the intro goes like this:

```

|-----|
|-----|
|-----|
|-----|
|-4-----4-----4-----|
|-2-2-2-2-2-2-2-2-----|

```

He then does some other overdriven stuff, before he gets to the lead in:

```

|-15H17-17-17-17--17-17-15H17-17-17-17-----|
|-15H17-17-17-17--17-17-15H17-17-17-17-----|
|-----|
|-----|
|-----|
|-----|

```

Then he gets to the main riff:

```

|-12----12~10----10~8----8~7---7~5---5~3---3~-----|
|----13-----12-----10-----8-----6-----5----0-4-5~-----|
|-----|
|-----|
|-----|
|-----|

```

There s another version of this riff which he does later: (Tremelo pick this)

```

|-12-12-12-12-8-8-8-8-10-10-10-10-7-7-7-7-8-8-8-8-5-5-5-5-----|
|-----|
|-----|
|-----|

```

|-----|
|-----|

| -7-7-7-7-3-3-3-3-5-5-5-5-1-1-1-1-3-3-3-3-0-0-0-0-----|
|-----0-0-0-0-4-5--|
|-----|
|-----|
|-----|

And right after that he does an insane version, which I can't figure out.. I think it starts like:

| -12-----12-----10-----|
| ----10-8----10-8----8-7--and so on-----|
|-----|
|-----|
|-----|

He likes to use wah in this song, so make it funkay ;)
