Mad World

Children waiting for the day they feel good
Happy Birthday, Happy Birthday
And I feel the way that every child should
Sit and listen, sit and listen
Went to school and I was very nervous
No one knew me, no one knew me
Hello teacher tell me what s my lesson
Look right through me, look right through me
And I find it kind of funny
I find it kind of sad
The dreams in which I m dying
Are the best I ve ever had
I find it hard to tell you
I find it hard to take

When people run in circles
It s a very, very
Mad World
Mad World
Enlarging your world
Mad World.
