Tuning: standard tuning EADGBe

```
e|-------------------------------------------------1---------1-----------|
B|---------------1------------------------------------------------------|
G|-------1-----------0--1-----------0-----------------------------------|
D|-------------------------3----------1p0-------------------------------|
A|-----------------------------------------1-------1-------------------|
E|--------------------------------------------------------------------|

e|-----------------------------------------1-----------1----------------|
B|-------1-------------------------------------------------------------|
G|---1------0---1---------0----1----3-----------3----------------------|
D|-----------------3--------------------------------------------------|
A|-------------------------------------------------------------------|
E|-------------------------------------------------------------------|

e|-------------------------------------------------------------------|
B|---------------------------------------1---1---1--------------------|
G|----------------1----1--------------------------------1------------|
D|----3-----3-----------------3-----3--------------------------------|
A|------------------------------------------------------------------|
E|------------------------------------------------------------------|
```
    All around me are familiar faces
    Children waiting for the day they feel good

```
e|-------------------------------------------------------------------|
B|----3------3-----3-----0-----3-----3-----3----1-----0--------------|
G|------------------------------------------------------3-----------|
D|------------------------------------------------------------------|
A|------------------------------------------------------------------|
E|------------------------------------------------------------------|
```
    Worn out places, worn out faces
    Happy Birthday, happy Birthday

```
e|-------------------------------------------------------------------|
B|------------------------------------1---1----1--------------------|
G|-----------------1----1----------------------------1-------------|
D|-----3-----3------------------3-----3----------------------------|
A|-----------------------------------------------------------------|
E|-----------------------------------------------------------------|
```
    Bright and early for their daily races
    And I feel the way that ever child should

```
e|--------------------------------------------------------------------|
B|--------------------------------------------------------------------|
G|----3----3----3-----0----3----3-----3------1-----0------------------|
D|------------------------------------------------------3-------------|
A|--------------------------------------------------------------------|
E|--------------------------------------------------------------------|
```
  Going nowhere, going nowhere
  Sit and listen, sit and listen

```
e|----------------------------------------------------------------------|
B|-----------------------------------------1----1-----1-----------------|
G|-----------------1----1------------------------------------1----------|
D|----3------3-----------------3----3-----------------------------------|
A|----------------------------------------------------------------------|
E|----------------------------------------------------------------------|
```
  The tears are filling up their glasses
  Went to school and I was very nervous

```
e|---------------------------------------------------------------------|
B|---------------------------------------------------------------------|
G|---3-----3-----3-----0-----3------3------3-----1------0--------------|
D|----------------------------------------------------------3----------|
A|---------------------------------------------------------------------|
E|---------------------------------------------------------------------|
```
  No expression, no expression
  No-one knew me, no-one knew me

```
e|---------------------------------------------------------------------|
B|-------------------1------1--------------------1-----1-----1---------|
G|-----3------3-------------------------3-----3----------------1-------|
D|---------------------------------------------------------------------|
A|---------------------------------------------------------------------|
E|---------------------------------------------------------------------|
```
  Hide my head, I want to drown my sorrow
  Hello teacher, tell me what s my lesson

```
e|------------------------------------------------------------------|
B|------------------------------------------------------------------|
G|----3------3------3------0-----3-----3-----3-----1-----0----------|
D|-------------------------------------------------------3----------|
A|------------------------------------------------------------------|
E|------------------------------------------------------------------|
```
  No tomorrow, no tomorrow
  Look right through me, look right through me

CHORUS:

```
e|----------------------------------------------------------3-----------|
```

```
B|----------------------------1----1----3------------------3-----3---------|
G|---------------1----1-------------------------3-----3---3------------3------|
D|------3-----3-----------------------------------------------------------|
A|-----------------------------------------------------------------------|
E|-----------------------------------------------------------------------|
    And I find it kinda funny, I find it kinda sad

e|-----------------------------------------------------------------------|
B|------------------------1---1---3----------------3---3---------------|
G|---------------1----1---------------3----3----3----------3---3---------|
D|------3----3-------------------------------------------------3----|
A|-----------------------------------------------------------------------|
E|-----------------------------------------------------------------------|
    The dreams in which I m dying are the best I ve ever had

e|-----------------------------------------------------------------------|
B|----------------------1----1----3----------------3---3---------------|
G|-----------1----1-------------------3----3----3----------3---3-------|
D|---3----3----------------------------------------------------3--|
A|-----------------------------------------------------------------------|
E|-----------------------------------------------------------------------|
    I find it hard to tell you, I find it hard to take

e|-----------------------------------------------------------------------|
B|--------------------1---1---3----------------3---3-------------------|
G|-----------1--1-----------------3---3---3----------3---3-------------|
D|---3----3--------------------------------------------------------|
A|-----------------------------------------------------------------------|
E|-----------------------------------------------------------------------|
    When people run in circles, it s a very, very

e|-----------------------------------------------1-----------1-----------|
B|--------1------------------------------------------------------------|
G|---1---------0----1---------0----------------------------------------|
D|---------------------3---------1p0-----------------------------------|
A|--------------------------------------1-----------1-----------------|
E|-----------------------------------------------------------------------|
    Mad world...

e|-----------------------------------------1-----------1-------------|
B|--------1------------------------------------------------------------|
G|---1---------0----1---------0----1----3-----------3-----------------|
D|---------------------3-----------------------------------------------|
A|-----------------------------------------------------------------------|
E|-----------------------------------------------------------------------|
    Mad world... (repeat)

| /  slide up
|    slide down
| h  hammer-on
| p  pull-off
| ~  vibrato
| +  harmonic
```

```
| x   Mute note
================================================================================
