You ve found someone new

And though you say everything is fine

Em

I ve got a feelin that s oh so strong

Am

That everything is wrong

C **D7**

And that your love s no longer mine

G

I can read between the lines

Verse 2:

I just saw your best friend

And she tried to pretend

Everything was really fine

And that your love was still just mine
But she didn't realize
I could see it in her eyes
She was telling lies
Wo, I can read between the lines, yeah

(chorus)

(repeat and fade):

G

I can read between the lines
