This stone is genuine, like love should be
And if your baby s truer than my baby was to me

This diamond ring can be something beautiful
And this diamond ring can be dreams that are coming true
And then your heart won t have to break like mine did
If there s love behind it

[Organ/guitar break over verse chords]

[Chorus 2 again]

This diamond ring can be something beautiful
And this diamond ring can be dreams that are coming true
And then your heart won t have to break like mine did
If there s love behind it

This diamond ring doesn't shine for me anymore

F **Am/E** **Dm** **C**
And this diamond ring doesn't mean what it did before
